

Strengthening governance and leadership

The AMA (WA) welcomed participants to the return of the prestigious **Company Directors Course™**, delivered in partnership with the Australian Institute of Company Directors (AICD), and supported by WA Health Service Providers.

The five-day course, held at the AMA (WA) in Nedlands, was a sold-out event, bringing together medical professionals from across the sector looking to strengthen their governance and leadership capabilities. ■

Special thanks to WA Health Service Providers for sponsoring this event.
