

Navigating vital career decision

Medical students and junior doctors gathered at The Platform & Purpose Studio for the **Hospital Health Check 2026 – Intern Pathways Breakfast**, a practical and interactive morning designed to help students navigate one of the most important decisions in their medical career.

Guests heard the first insights from the 2026 Hospital Health Check, alongside practical guidance on the intern application process and honest conversations about what it's really like to work across WA hospitals. ■

**Special thanks to
our event sponsor, MDA National.**
