

Trivia night celebrates 30 years of Dr YES

About 70 guests gathered at The Court for a night of trivia, entertainment and community spirit in celebration and support of the AMA (WA)'s Dr YES youth health education program.

Hosted by Fay Rocious, the event brought together friendly competition, costumes and raffle prizes, raising more than \$2,500 to help deliver vital health education to students across WA.

Congratulations to our teams for the night, and to all raffle winners for making it a memorable evening. ■

Special thanks to
our event sponsor,
**AMA Financial
Services.**
